ANNOUNCEMENT

TAKE PLEASURE and am pleased to present for your approval and appraisal five bulls and forty cows and heifers that I am proud to own, and part with reluctantly, but I am in the business of raising high-class cattle and delight in selling the good ones, I feel however, in offering this selection, that I am making a most generous division with my customers. I am sure you will be pleased with the quality of this offering, for they are an excellent lot of animals as to individuality and breeding, and the pedigrees contained in this catalog will stand the most critical inspection.

It has been my aim to buy nothing but the choicest breeding and furthermore the families and individuals I have tried to buy and breed have contained the blood of the most noted bulls and breeding that today are most popular and as near as possible been bred by the leading breeders of Great Britain, which I believe has been and has added the greatest degree of success to my former sales.

I have sold a good lot of cattle in recent sales but I believe I am safe in saying I have never offered a more useful lot of cattle. I may have offered more show cattle but not more good, well bred, useful lot of cows doing business, and raising good lusty calves every year. You cannot afford to miss this sale, and you will be disappointed if you do.

I am offering some choice young bulls and a good many of the cows have calves at foot by noted bulls of the day.

With hearty appreciation of the many favors received from the Short Horn breeders of the business and with every assurance of my best wishes, I remain

Yours for success,

THOS. STANTON.

TERMS AND CONDITIONS

All cows with calves at foot are proven breeders, and no further guarantee is given.

All other females that have been bred, are guaranteed breeders. Cows that are past four months, this guarantee enough.

If any animal should not measure up to this guarantee, it can be returned, after a reasonable time, to us, in good condition, and another animal will be sent, to replace, of equal value, or if that cannot be done, money will be refunded.

All animals will be at purchaser's risk as soon as bid of, but will be put on board cars free of charge.

Health certificate will be given with every animal.

Terms cash, or a few months' time will be given with interest at six per cent to responsible parties furnishing good bank references.

He belongs to the Inverquhomery Rosewood family, which has furnished many Smithfield winners. His sire was Waverly, a bull that after winning at the Highland Society's show in Aberdeen in 1894, was purchased not only for his great merit, but because of his excellent breeding, for he was by Mr. Bruce's Bendigo, who was a son of Clear-the-Way from Augusta 8th. Silver Plate's dam was Rosewood 67th by Wellington (68076). He has been one of the most successful sires in Great Britain, as the winnings of his produce not only in Britain, but on this continent at the various shows will testify. The champion heifer of the United States in 1904, Hanna's Village Belle 2d, is one of his daughters.

Jewel	Barnaby Rudge (11142)	Mr. Towneley
Julia	Belted Will (6780)	William Raine

Rosa Hope 16th--is one of the best heifers ever bred at Thistle Hall. She has depth, length, thickness and smoothness combined in a degree seldom seem. She has been a prize winner herself, has had five calves, four of which have won at Toronto, and the last is the best of all. The secret of this lies largely in the fact that she is a great milker.

Royal Prince (71490)--a straight and well-bred Golden Drop, one of the best sires of the day.

Warrior Bold (52321)--a grand bull and bred from the prize-winning Wave Family, so successful in the hands of Lord Polworth.

Royal Hope (32392)--Baron Colling (25560), and down to the very last sire makes them an array of ancestors never surpassed in any pedigree. At least five of them being first winners at Highland or Royal Shows.

Imp. Young Mary—one of the most remarkable cows ever imported. She was sold at the Ohio Importing Co.'s sale, October 26, 1836, with her daughter, Pocahontas, for \$1,500; was a large cow, but not strictly of show yard character; an excellent milker and very prolific breeder; lived to be about twenty years old and died after giving birth to her sixteenth calf. Five of her daughters were got by Imp. Goldfinder—one of them, Hannah Moore, was exhibited at all the leading fairs of Kentucky and never suffered defeat. Young Mary's descendants, like those of Young Phyllis, are numbered by the thousands, and there is hardly a herd in the United States so great but what it can with pride point out some of its best cattle as being Young Marys.

Warfield of Kentucky, produced many noted show animals. The family is also a great milking tribe.

Imp. Young Mary—one of the most remarkable cows ever imported. She was sold at the Ohio Importing Co.'s sale, October 26, 1836, with her daughter, Pocahontas, for \$1,500; was a large cow, but not strictly of show yard character; an excellent milker and very prolific breeder; lived to be about twenty years old and died after giving birth to her sixteenth calf. Five of her daughters were got by Imp. Goldfinder—one of them, Hannah Moore, was exhibited at all the leading fairs of Kentucky and never suffered defeat. Young Mary's descendants, like those of Young Phyllis, are numbered by the thousands, and there is hardly a herd in the United States so great but what it can with pride point out some of its best cattle as being Young Marys.
